

primary care direct

supporting general practice

Primary Care Direct is a 'one stop' shop, supporting GP Practice's to grow and develop their business.

About Primary Care Direct

Primary Care Direct provides essential support to GP practices via a consortium of professional services member organisations. This includes wide ranging subject areas such as Business Management, Finance, Employment Law, Tender Management, Workforce Development, Change Management, HR and Organisational Development.

Primary Care Direct adds value to your practice, as all the support you might require is available in one single place.

Our Services

All support provided by Primary Care Direct is bespoke to your organisation, be it at an individual practice level, a federation, or at a CCG wide footprint.

The following support packages are available:

1. 'Pay as you go:' ad-hoc support from our Primary Care Direct Consortium Organisations;

2. Monthly Subscription: ongoing support available in standard, enhanced or premium packages).

Consortium Members

All our specialist support is provided through Primary Care Direct's consortium members:
